CEO REPORT

Strawn stated that as the Iowa Lottery enters its 40th year, it can be described as a “legacy brand” built over many years. As trustees of that legacy, the Iowa Lottery will meet and exceed its forecasted budget projections for both lottery sales and proceeds as FY25 draws to a close. Through May 2025, total lottery sales of \$400,986,731 are 4.61% – or \$17.7 million - ahead of budget projections for the fiscal year; and total lottery proceeds of \$81,063,349 are 14.33% – or \$10.1 million - ahead of budget projections for the fiscal year. Notwithstanding national lotto headwinds, the fact that the Iowa Lottery will meet and exceed its revenue targets for FY25 is a testament to an amazing Lottery team who continue to honor the Iowa Lottery’s legacy.

The work that has been done getting us to 40 years is not enough to sustain a legacy brand like the Iowa Lottery -- *legacy brands don’t evolve by doing what’s always worked*. So the Iowa Lottery’s product categories will need to continue to evolve.

Strawn closed his report by publicly recognizing Mary Neubauer, a member of the lottery’s executive management team, as she prepares to retire after 25 years of service to the Iowa Lottery. Mary truly embodies what it means to “leave a legacy”. We deeply appreciate her dedication and contributions to the Iowa Lottery, the State of Iowa, and other great causes over the years that have benefitted from her service. I am grateful for her leadership, her friendship, and her being a trusted and valued colleague to so many of us here at the Lottery.

QUARTERLY REPORTS

Revenue (Sales and Marketing):

Roth gave a Revenue report. Roth provided further detail on Iowa Lottery sales and how the lottery’s performance compares to the lottery industry. When compared to FY24, FY25 sales continue to be lower due in large part to lower jackpots for Powerball and Mega Millions so far in FY25. On an overall basis through the end of May, revenues are \$401 million, exceeding the budget by 4.6%. On a year-over-year basis compared to FY24, sales experienced a decrease of 12.2%. On a fiscal year to date basis, the industry continues to be down by (6.3%) vs. the previous year, with some areas of the country now experiencing better performance.

Lotto Category: Overall, we have seen a decrease of 34.9% for the Lotto Category for FY24 through May. Powerball sales of \$35m have experienced a decrease of 52.7% vs. FY24, and Mega Millions with sales of \$26m has experienced a 30.9% decrease vs. FY24. With the lower cost margin on these games, the decreases in sales this fiscal year also have a significant impact in decreasing proceeds.

In April, the new Mega Millions game was launched and the Iowa Lottery is seeing an increase in sales of roughly 6% when comparing similar jackpot runs in order to fully assess the performance of the new game. Conversely, Lotto America with its second highest jackpot won recently is up by 35.3% with sales of \$8.4 million.

Scratch Tickets: In Iowa, sales of scratch-tickets have experienced a decrease in sales of 4.2% through the end of May for FY25. On a fiscal YTD basis, scratch-ticket performance for the industry has experienced a slight decline of 0.5%; with certain states in the west and south starting to make positive increases in sales.

InstaPlay: The Iowa Lottery is experiencing very positive sales results in FY25 for InstaPlay. In September at the start of the lottery’s game updates, InstaPlay sales of \$6.1 million were down 7.8% through the end of the month. As of the end of May, sales of \$28.8 million were up by 11.6% for FY25 vs. FY24.

Pull-Tabs: Pull-Tab sales continue to be strong with sales of \$13.4 million, or a 14.6% increase vs. FY24 through May.

Roth also shared that the Iowa Lottery has several current and planned promotions, including: Powerball NASACAR at the Iowa Speedway. The promotion performed well, but not as strong as last year when the promotion also experienced a large jackpot run. In early June, the Jurassic World, and Scratch, Match & Win Promotions were launched.

- The Jurassic World promotion features a Jurassic World themed scratch-ticket and a Jurassic Park themed InstPlay game. Sales for the both tickets are off to a good start.
- The Scratch, Match & Win is a 40th anniversary game that celebrates the first scratch-ticket sold by the Iowa Lottery.

In July, we'll launch promotions for Iowa State Cyclone Football and a chance to win a suite experience at Jack Trice Stadium. And in August, we'll launch a promotion for the University of Iowa with a new "Hawkeye Blackout" scratch-ticket that will be the entry for a chance to win seats in the Ironmen Suite at Kinnick stadium as well as a chance to win cash.

Roth concluded his report by giving an update on the performance of self-serve kiosks that were approved in FY23. The kiosks have contributed significantly to overall sales and their performance is on track with initial projections.

External Relations:

Neubauer gave an External Relations report. Neubauer said the Iowa Lottery has applied for a Level 2 certification in responsible gaming from the World Lottery Association (WLA). The WLA offers 4 levels of RG certification and the lottery currently has a Level 1 certification. In the Level 2 self-assessment, 99 questions across 10 areas of emphasis must be answered. The Iowa Lottery submitted its certification application on April 25, 2025. If a Level 2 certification is awarded from the WLA, it will remain in effect until May 2028.

Neubauer also stated that the External Relations team has worked on rewriting the responsible gaming information on the lottery's website. The "Know Before You Play" webpage has taken information that was in 2 sections on the lottery's website and combined the information to just 1 page with 8 topics.

Neubauer concluded her report by sharing that the use of organic content on lottery social media posts continues. This less-formal approach has been well received.

Security:

Waymire's Security report was provided in the commission packet and there were no change to the submitted report.

Finance:

Podrebarac gave a Finance report. Through May, YTD sales are \$401 million. The YTD sales are ahead of budget by \$17.7 million, or 4.6%. YTD sales are behind sales for the same period of FY24 by \$55.9 million, or 12.2%; predominantly due to the lack of high jackpots in national lotto games.

Through May, YTD proceeds are \$81.1 million. The YTD proceeds are ahead of budget by \$10.2 million, or 14.3%. YTD proceeds are behind proceeds for FY24 by \$20.6M, or 20.3%.

Through May, YTD prize expense is \$260.4 million. The YTD prize expense is ahead of budget by \$18 million, or 7.4%. YTD prize expense is behind prize expense for FY24 by \$30.8 million, or 10.6%. Remember that as sales decrease, prize expense also decreases.

YTD operating expenses through May remain under budget at \$13.7 million.

FY26 BUDGET OVERVIEW

Roth provided an overview of the FY26 budget. Overall, the lottery continued with a conservative approach to budgeting in order to continue to meet or exceed budgeted sales and proceeds. The budget does not include any impact as a result of the RFP for ticket printing and loyalty program services. Any adjustments to be made will be done once the evaluation process, contract negotiation, and implementation efforts are completed.

ADMINISTRATIVE RULES UPDATES

Waldmeier discussed the proposed changes related to Administrative Rules. The department is undergoing its final year of modernization Rollout 5 to allow lottery appeals to be processed in the GovConnectIowa and IMPACT systems. Therefore, two rules need to be amended.

Cook moved to approve the proposed administrative rules changes. Rathje seconded. Motion carried unanimously.

ELECTION OF OFFICERS

Rathje moved to approve Katie New as Commission Chair and Josh Cook as Commission Vice-Chair for FY26. Cook seconded. Motion carried unanimously.

FY 2026 COMMISSION MEETINGS DATE

Dates were set for quarterly meetings in FY26.

OTHER BUSINESS – RESOLUTION

Chair Wingert read a resolution in recognition and appreciation of Mary Neubauer's 25 years of distinguished service to the State of Iowa and the Iowa Lottery.

Cook moved to adopt the resolution (attached). Rathje seconded. Motion carried unanimously.

ADJOURNMENT

Cook moved to adjourn. Rathje seconded. Motion carried unanimously.

Meeting adjourned at 11:40 a.m.
