Retailer Receives \$3,000 Bonus for Selling a \$3 Million Mega Millions® Ticket

Big things were happening this past November as the Mega Millions® jackpot neared the \$1 billion mark! But that's not all!

A Mega Millions ticket purchased at a central Iowa convenience store won a \$3 million prize Nov. 11, the first big win in Iowa since the game's revamp in April.

The winning ticket was purchased at Kwik Star, 1200 Chatham Ave. in Norwalk, and matched the first five numbers in that night's drawing to win the \$3 million prize. It was just one number away from claiming the jackpot, missing only the Mega Ball.

The jackpot climbed to \$980 million before it was won in the drawing on Nov. 14.

The winning numbers in the Nov. 11 drawing were 10-13-40-42-46 and Mega Ball 1. The Norwalk ticket was just one of three in the country to win a prize of \$3 million or more in that drawing. A ticket purchased in New York also won \$3 million, while a ticket purchased in Arizona won \$5 million.

Players in the \$5 Mega Millions game choose their first five numbers from a pool of 70, and another number — called the Mega Ball — from a separate pool of 24.

The game features a built-in multiplier for each play that multiplies non-jackpot prizes by up to 10 times.

Kwik Star will receive a \$3,000 bonus from the Iowa Lottery for selling the \$3 million-winning ticket.

Prizes of this size must be claimed at the Iowa Lottery's main office in Clive. The lottery's offices are open Monday through Friday, and appointments are strongly encouraged. To make an appointment or contact the lottery with questions, winners are welcome to call the lottery at 515-725-7900 or email wmaster@ialottery.com.

Mega Millions prizes won in Iowa must be claimed within 180 days of the drawing. The lottery reminds players to check their tickets carefully. A big win could be waiting!

GIFT RESPONSIBLY

A Thought to Keep: Please Reserve Lottery Tickets for the Adults On Your Gift List

Here's a reminder for the holiday season, but it really applies at any time of the year.

At the Iowa Lottery, we know that in the next month or so, lottery tickets will be given as gifts and put in stockings. And we're not trying to tamp down on the holiday spirit!

But please remember that our tickets are something to be purchased **by adults, for adults.**

That's true for a lot of gift possibilities. Some video games and movies aren't appropriate for all ages. Alcohol and tobacco-related products have age restrictions. Even toys have age-recommendation guidelines.

In Iowa, you have to be at least 21 years old to buy lottery tickets, and we've always considered our

products something for adults. You are gambling when you play the lottery.

We want our products to go to those who are mature enough to enjoy that entertainment. And research from the National Library of Medicine notes that adolescents and young adults are more vulnerable to the risks of gambling because their brains are still developing.

So if you're giving lottery tickets as gifts, please keep them for the adults on your list.

And as always, if you or someone you know has questions about problem gambling, please know that help is available 24 hours a day, 7 days a week. You can text and live chat by visiting YourLifelowa.org or you can call 1-800-BETSOFF (1-800-238-7633).
