Central Iowa Man Claims \$3 Million Prize

Jaime Zavala of Norwalk claimed his Mega Millions® Tuesday at the Iowa Lottery's main office in Clive. His ticket matched the first five numbers in the Nov. 11 drawing and missed winning that night's \$900 million jackpot by just one number.

A Navy veteran, Zavala bought his winning ticket for the Veterans Day drawing at Kwik Star, 1200 Chatham Ave. in Norwalk.

The winning numbers in the Nov. 11 drawing were 10-13-40-42-46 and Mega Ball 1. Zavala's ticket was just

one of three in the country to win a prize of \$3 million or more in that drawing. A ticket purchased in New York also won \$3 million, while a ticket purchased in Arizona won \$5 million.

Kwik Star received a \$3,000 bonus from the Iowa Lottery for selling the \$3 million-winning ticket.

In addition to paying off his home, Zavala said he plans to invest the bulk of his winnings and upgrade his ride, replacing his current 10-year-old pickup with more than 250,000 miles on it.

Retailer Reminder

Iowa Lottery retailers need to be familiar with the procedures for paying prizes in all types of situations. Lottery rules state that prizes may be paid to persons of any age, but there are different considerations in paying those who are under 21.

First, all tickets must be signed before they can be checked or validated.

Paying someone under age 18 - These people are minors in the eyes of the law. If the person entitled to a prize is under the age of 18, the payment of the prize may

be made with cash or a check payable to the order of the minor or to a parent or legal guardian of the minor. Claim forms and tickets submitted by a minor must be signed by the minor as well as the minor's parent or legal guardian.

Paying someone ages 18, 19 or 20 - They may claim prizes in Lottery games as long as the claimant **did not** actually purchase the ticket. The claimant cannot use the prize winnings to purchase lottery tickets.

Paying someone age 21 or over - Retail locations may pay Lottery prizes of up to \$600 if sufficient funds are available. Prizes larger than that must be claimed at a Lottery office.

Retailers should always remember that tickets may not be sold to persons under the age of 21.
