Multi-State Lottery Association Press Release

National Lottery Game *Millionaire for Life*[™] Debuts Next Month

Daily drawings offer a chance to win the jackpot of a lifetime.

A new national draw game, *Millionaire for Life*[™], will launch next month, giving lottery players the chance to play every day for the jackpot of a lifetime.

Daily drawings begin at 10:15 p.m. on Sunday, Feb. 22, 2026.

Millionaire for Life will offer a compelling grand prize of \$1 million a year for life and a second-tier prize of \$100,000 a year for life. Both the grand prize and second-tier prize will be awarded as annuities, with a 20-year guaranteed payout. Players will also have the option to choose a one-time cash payout for the top two prize levels.

Millionaire for Life was designed to produce daily winners, with overall prize odds of 1 in 8.47 and grand prize odds of 1 in 22.9 million, significantly better than top prize odds in other national draw games.

"*Millionaire for Life* offers premier 'for-life' prizing that players, especially younger players, have gravitated toward," said Tom Seaver, Millionaire for Life Product Group Chair and Senior Director of the Colorado Lottery. "Imagine winning \$1 million a year, year after year – this game is designed to deliver on its name."

Millionaire for Life tickets will be priced at \$5 per play and will be available for purchase in more than

30 states/jurisdictions. Pending regulatory approval, the New York Lottery is also expected to offer *Millionaire for Life* at launch.

As with all U.S. lottery products, a portion of every *Millionaire for Life* ticket purchased will help support public programs and services funded by U.S. lotteries.

"Players should feel good knowing that every time they play *Millionaire for Life*, their ticket is also giving back to the local community," noted Seaver. "Proceeds help fund education, support military veterans, and contribute to state parks and conservation efforts – just a few of the worthy causes that will benefit from the game."

More information about *Millionaire for Life*, including how to play, odds, and additional prize details, will be released on Feb. 12 and will be available online at powerball.com/millionaire-for-life.

RETAILERS: If your store received information about hosting an event for *Millionaire for Life*, reminder that the deadline for consideration is this Saturday! Check the informational flyer that was sent earlier this month for more details.

Retailer Reminder

Easy Play Tickets are Printed on Normal Receipt Paper and Can be Redeemed at ALL Iowa Lottery Retailers

Easy Play was introduced to Fareway stores in early 2025. This style of ticket is currently only available for Powerball® and Mega Millions® and is purchased in the checkout lane, not at the Iowa Lottery terminal. The play style of this type of ticket is similar to an “Easy Pick” ticket, and has no add-on options. Advance draws are available with 1, 2, 3, 5 or 10 plays.

Validation/Redemption follows the SAME PROCESS as any Iowa Lottery Powerball or Mega Millions ticket. Winning tickets can be redeemed at any Iowa Lottery retail location using the same cash-out procedures as normal lottery tickets. While they can be purchased in the normal checkout lane, they still need to be redeemed through the Iowa Lottery terminal.

Please be aware that these tickets are NOT printed on normal lottery ticket paper and are printed on normal receipt paper - they are not fake tickets. Please do not turn away players looking to cash these tickets. If you're ever unsure if a ticket is valid or not, please call an Iowa Lottery office.
