Terry Rich, Chief Executive Officer  
Iowa Lottery  
2323 Grand Avenue  
Des Moines, IA 50312

Dear Mr. Rich:

I am following up on our July 1, 2009, meeting. Thank you for taking the time to discuss the status of the Iowa Lottery's response to the 60 recommendations contained in the investigative report submitted to you earlier this year.

In general, it appears from our conversation the Lottery accepts approximately half of the recommendations, and does not accept the others for various reasons. Due to the number of recommendations, as well as the significant resources my office expended in formulating those recommendations, I am requesting a written response advising which recommendations you accept, which you do not accept, and, for the recommendations you do not accept, your reasons for not accepting. (This request was originally made in my March 27, 2009, letter to you.). This will help me to have a clear understanding of the Lottery's positions and the rationale for its positions on my recommendations.

Please provide this information by August 17, 2009. If you have questions or are unable to meet the reply deadline, please do not hesitate to let me know. Thank you again for your cooperation.

At this time I would also like to take advantage of your offer to demonstrate the Lottery's new searchable case management systems to my staff. I understand you may be willing to bring the system to my office for demonstration if our computer support is adequate to accommodate a connection. Please let me know what your computer connection needs and the best dates and times for you. If it would be more convenient to have this meeting at your office, let me know.

Sincerely,

William P. Angrick II
