

Powerball or Mega Millions Multi-Draw Request Form For Free Plays

Thank you for buying tickets in our games and joining in the fun. You help us make a difference for Iowa!

As a result of the recent changes to the starting jackpot amount and the minimum jackpot growth between drawings in Powerball and Mega Millions, the Iowa Lottery is offering free plays to some players.

We know that prior to announcement of the changes, Iowa Lottery players may have used the “multi-draw” function to purchase plays in future Powerball or Mega Millions drawings. Those plays are still valid, but are now subject to the jackpot-related changes.

As a goodwill gesture to those players, the Iowa Lottery is making available free plays in the game(s) involved. To be eligible for the free-play coupons:

- **In Mega Millions**, an Iowa Lottery player must have purchased a multi-draw ticket no later than 4 p.m. April 3 for a Mega Millions drawing held on April 7 or later.
- **In Powerball**, an Iowa Lottery player must have purchased a multi-draw ticket no later than 4 p.m. April 2 for a Powerball drawing held on April 8 or later.
