Retailer Reminder

How to Redeem a VIP Club Coupon

IA Lottery VIP Club™ members receive a coupon each month via email in their VIP Connection newsletter, and may also access their coupon when they log in at ialottery.com.

These coupons may be presented on paper or via mobile device. The procedure for scanning these coupons is similar to other types of coupons, but there are some differences.

1. Scan the coupon BEFORE making the play.
2. Hold the square bar code under the red light of the bar code scanner.
3. A pop-up screen asks if the player wants an easy pick or to use a play slip (when applicable for lotto games).
 - Press "Easy Pick" button for an easy pick
 - Insert a play slip to use that option
4. You can press "Cancel" if the player doesn't know if they want an easy pick or play slip, or doesn't have a play slip ready (pressing Cancel at this point does

not void the coupon). Once the player has decided which option they want, scan the coupon again and complete the process.

To manually enter the coupon, press the SPECIAL FUNCTIONS tab on the terminal's main screen, then press COUPON. Key in the 16-digit code that is under the bar code on the coupon.

If a coupon has already been redeemed once, the terminal will give an error message: "Coupon Already Redeemed." Appropriately destroy the bar code and dispose of a paper coupon after it is redeemed so it cannot be presented again.

A VIP Club member can only redeem ONE free play from their monthly e-newsletter. They may redeem two at a time if they expire on different dates since they have two months to redeem; i.e. June's expires on July 31 and July's expires on August 31. **If a player tries to redeem 3 or more in a single month, report their name to your sales rep immediately.**
